

News from Saint Ju

Chers correspondants, bonjour !

Nous sommes vos camarades de St Julien.

Nous sommes 28 élèves dans cette classe venant des communes de St Julien, Flacey et Brognon. Notre maîtresse s'appelle Mme Guillot.

St Julien est un village au nord-est de Dijon d'environ 1 600 habitants sur 16 km². Notre village a une église, une rivière, la Norges avec ses deux lavoirs, un stade et des terrains de tennis. Nouvellement, nous avons un petit centre commercial, un gymnase et bientôt nous aurons une deuxième et grande salle des fêtes à proximité de ce gymnase.

Notre village continue de s'agrandir avec la construction de plusieurs lotissements.

La mairie

L'église

La Norges et ses lavoirs

Notre école

Notre école est sur deux étages : la maternelle, et les classes de CP et CP/CM1 au rez-de chaussée CE2, CM2 et CE1 sont en haut, avec vue sur la maternelle grâce à une mezzanine. Nos maitresses sont très gentilles !

Nous avons une immense cour de récréation avec un jardin créé par nous en CE1, un espace vert, un préau et un terrain de football. Il y a aussi la bibliothèque municipale dans cette cour !

Nos projets

Notre classe, cette année, a organisé de nombreux projets :

- «Les tablettes» : Nous avons l'aide de deux conseillers pour travailler sur la création de roman-photos et de stop-motion. D'ailleurs, ce courrier a été créé sur «Comic Life», le logiciel que nous avons utilisé pour nos créations !
- «Curtil» : nous sommes allés à Curtil-st-Seine, au nord de St Julien, pour travailler en course d'orientation et randonner afin de découvrir les amphibiens. Nous avons même cuit notre pain dans un four à pain du XVIIIème siècle. Nous avons dû reporter deux fois cette sortie en CM1 à cause du mauvais temps, heureusement, ce fut possible en début de CM2 !
- «La forêt bio-diverse» : Tous les ans, depuis neuf années, l'école plante des arbres sur une parcelle communale pour bâtir une forêt bio-diverse : une forêt avec de nombreuses variétés d'arbres et d'arbustes pour fournir un habitat aux animaux. Par exemple, ainsi nous sauvons le Damier du frêne. Savez-vous ce que c'est ?

THEA

- THEA : Comme vous, un peu avec vous, nous allons participer à ce projet. Pour récolter les fonds nécessaires, nous avons organisé une vente de fromage et allons vendre des sablés confectionnés par nous-même au marché de Noël de St Julien, le 17 décembre, à la mairie. Si vous le désirez, vous pouvez venir, nous vous ferons déguster nos biscuits !

Nous avons hâte de vous lire et de vous rencontrer !

« Camaradement »,

Les CM2 de St Julien et leur maîtresse !
